FERDINAND THE BULL HERE!

"Ferdinand, oh Ferdinand, art thou a bull or art thou merely filled with bull?" Whatever the noble matador, thus pleading with Walt Disney's effeminate Spanish opponent, is saying is best to be heard on the Fox Sequoia screen this Sunday, Monday and Tuesday, where it will play on the same program with Shirley Temple's "Just Around the Corner" and "The Storm."

CRASH OF HILLSBOROUGH SUB-DEBS RESULTS IN DAMAGE ACTIONS HERE

Automobiles driven by two Hillsborough society sub-debs crashed at the entrance of the Antoine Borel estate on May 20, and today the accident had found its way to the superior court.

Plaintiffs were Mrs. Freda W. Ames, widow of Frank Ames, ice company magnate; her 24-year-old daughter Dorothy, and another daughter, Lorraine, 19.

Driver of the other car and defendant in the case was Elizabeth Hanna, 19-year-old Stanford coed and daughter of R. W. Hanna, Standard Oil Co. executive. All parties to the suit live in Hillsborough.

According to the complaints, of

for a long run at international theatres, where only the acme in artistic and foreign pictures are the policy.

In the interest of the music-loving public of Redwood City and vicinity, Hal Honore, manager of the Fox Sequoia, has arranged this unusual booking for the two-day period only.

Mrs. W. J. Hennessy Of San Carlos Dies

Mrs. Marion Chrystal Hennessy, wife of Walter J. Hennessy of San Carlos, passed away Monday afternoon in Palo Alto Hospital following an operation.

Mrs. Hennessy, who was 38, had lived in San Carlos for the past 12 years. She was active there in the San Carlos Parent-Teacher Association and belonged to the St. Charles Club and the San Carlos Bridge Club.

Mrs. Hennessy was the daughter of Mrs. Winifred H. Fletcher of Redwood City, and mother of Winifred L. and Patricia L. Hennessy. She also leaves two brothers, Harold C. Pomeroy of San Francisco and Ernest K. Pomeroy of Seattle.

If you want to keep it a secret, don't put it in the Want Ads.

M'Donald, Alias Davis, Is Granted Probation

Davis R. McDonald, who lived in Redwood City for a year in 1931-32 as John E. Davis, has been placed on three years' probation in Los Angeles on a check charge, one condition of the probation being that he write no checks in that time.

McDonald also met two other demands of the court: that he have a bona fide offer of employment and that he marry Ethel May Ellis of New Orleans, whom he had married 14 years ago only a year after disappearing from Pittsburgh, Pa., upon faking a suicide.

Superior Judge Frank Collier, in granting probation, said McDonald's past life had nothing to do with

Licenseless Autoist Jailed for Week-End

Charles N. Walker, 75 Middlefield Rd., Palo Alto, was booked at the county jail Saturday on charges of speeding 55 miles an hour in a 25-mile zone. The arresting officer was Andrew J. Ford, inspector for the State Highway Patrol, whose car Walker passed. The inspector said he told him he had no operator's license for 12 years. Walker was unable to raise \$25 bail and was held in custody until on Monday, when he was released by Judge Edward Ryan, sitting for Judge E. I. McAuliffe.

The sentence. Full restitution of the \$141 worthless check must be made by McDonald.

Werder Starts New Brokerage Business

W. M. (Bill) Werder, formerly connected with the real estate firm of Werder, Gross & Brassy, announced today that he had been licensed by the state to open a brokerage office in Redwood City. Werder will represent Consumer's Credit Co., a subsidiary of Pacific Finance Corp., engaging chiefly in refinancing automobile loans.

Werder will continue his insurance and bond business in connection with the new enterprise. He expects to open offices at 12 California St. in about a week, he said.

He is a director of the chamber of commerce and vice president of the Lions Club.

History Association Sets Annual Election

Election of officers will be held and James T. Davis, attorney, will be heard when the San Mateo County Historical Association meets in the Little Theater at Jefferson High School, Daly City, on Thursday, Dec. 8, at 8 p.m. Secty. W. H. Duxsee announced today. Dr. Frank M. Stanger and Roscoe D. Wyatt will lead a discussion of the history of the north end of the county.

ADMITS CAR THEFT CHARGE

John P. Ryan, accused of stealing a San Mateo physician's automobile, pleaded guilty in the superior court Monday and asked for probation. The case was continued two weeks.

Youth Hostel Licenses Due Success Told For Revocation

The American Youth Hostels Inc. annual report, just published about the 134 hostels in the United States, shows that the seven California hostels had 972 overnights in their first six months of operation. There were 10 states represented in the guests that visited the three hostels located in San Mateo County at Montara, Purissima Creek, and the Skyline near Woodside. These hostels were visited by bikers and hikers in even proportion, and about 50 per cent of the hostellers were over 21, registration books show.

The Montara Youth Hostel, at the home of Mr. and Mrs. C. C. Jenkins, has been chosen for the Annual House Parent and Committee Conference next Sunday from 3 to 6. Here the California house parents and sponsoring committees will meet John G. Hanna of the National AYH field staff. Hanna will show the new all-color movies of hostels in the West, Middle West and Eastern United States, as well as in some of the 18 European countries.

The Montara hostels and the hostel at Purissima Creek at the home of Mr. and Mrs. William Pimentel will be open all winter for week-end hostel guests. Parties of young people from Burlingame and San Mateo are biking to the hostels each week-end, after making a reservation with the house parents. There they cook their own meals in the hostel kitchen, bike or hike in the beautiful country surrounding the hostels, and sleep in the double decker bunks on Saturday night. On Sunday the groups bike home

The last month of his term will be spent by Andrew J. Gallagher, member of the State Board of Equalization from this district, in ridding liquor stores of slot machines, he indicated today after issuing orders for a cleanup of the gambling devices in the territory for which he is responsible: San Mateo, Santa Clara, San Francisco, San Benito, Santa Cruz, Monterey and San Luis Obispo Counties.

Gallagher told the Associated Press in San Francisco he had issued a general order banning slot machines from bars and liquor stores.

Gallagher defined the slot machines to which he referred as "those that offer to give back money, or money in the guise of merchandise."

He said the order did not concern pinball games.

"Frankly," he said, "I don't consider pinball games in the same class with slot machines."

But on penalty of losing their liquor licenses, dealers were warned to do away with the other devices.

"I've told them they'd better get rid of their slot machines," he said. "There's no place for them."

Gallagher was appointed to the board to fill out the unexpired term of the late John C. Corbett.

He was defeated in the election Nov. 8 by George R. Reilly, San Francisco supervisor.

again over the back roads. Last week the Purissima hostel had registered a hosteller from Fresno.

MENLO PARK NEWS NOTES

MENLO PARK, Dec. 1.—The Junior members of Menlo Park American Legion Auxiliary were to meet in Legion Hall tonight at 7:30 p. m. to discuss several important matters. Barbara Blanchard, president, was to be assisted by Junior Chairman Genevieve Cook and Elizabeth Lyon.

Menlo Park A.L.A. Nos. 3 and 4 will give a card party at "Missoula" Mrs. Carroll A. Denol's Santa Cruz Ave. residence, on Dec. 9th. Score cards, including refreshments, will be 35 cents. The party will begin at 8:15 p. m.

Past Presidents' Association No. 9, N.D.G.W., had their annual dinner Monday, Nov. 28th, at an Atherton cafe. Several Menlo Park members attended.

The N.D.G.W. regular monthly whist party will be held in Central School Auditorium Thursday, Dec. 1. Score cards, 25c. This will be a turkey whist.

Edward Derry, one of Menlo Park's most popular merchants, is

recovering from his recent illness. He had been confined to his home for some time.

Mrs. Fannie I. Kurtz, the popular city clerk, is erecting a duplex building on her property on Santa Cruz, adjoining Fremont Memorial Park.

The duck season closed on Monday last. Local sportsmen secured many limits during the past month on local marshes. Edward O'Keefe arrived on Tuesday from the Willow Gun Club with limits of geese and ducks.

The first robins of the season arrived here from the north during this week. The birds preceded the recent storm only a few days.

Farmers always consider the early flight of the robin a sure sign of a wet winter. They are a non-game bird and cannot be shot.

It is learned that a great number of the live oak trees transplanted from here to Treasure Island have died. The roots could not survive the salt water which is near the surface of the island. They may have lived if planted in different soil. The shrubs and plants from the Nickel Estate here are thriving, owing to the fact that the roots only penetrate the earth for a short distance.

GREYHOUND

The sale of medicinal and pharmaceutical products in Greece increased from \$4,000,000 in 1936 to \$5,500,000 in 1937, an all-time high.

A farm household may average 300 miles a year in carrying water from the well or spring to the home.

Greek tobacco exports during the first half of 1938 amounted to 20,997 metric tons, an all-time high record for six months.

An income tax was imposed in Great Britain in 1799 to finance the war against Napoleon.

The 1938 American soybean crop was the largest in history and put this country back into the world's export market for this product.

Alabama farmers sold \$280,000 worth of produce on the 15 curb markets operating in the state during nine months of 1938.

Garlic-Parsley an Aid in HIGH BLOOD PRESSURE

Medical reports say that Garlic-Parsley concentrate has a double action in reducing high blood pressure. First, it tends to relax tightened arteries. Second, it checks or inhibits decomposition of waste matter in the bowels, a contributory cause of high blood pressure. To get concentrated garlic and parsley in odorous, tasteless form, ask for **ALMIDIN**. These tablets, used repeatedly at regular intervals, aid in reducing blood pressure and relieving headache and dizziness caused by excessively high readings. To learn what raises your blood pressure and for medical treatment consult your doctor. Large box, 50c. Special economy size, \$1.00.

MONTGOMERY WARD

More than 16,250,000 people toured through the national park system during the year which closed in September, an increase of a million over last year.

North Carolina's 1938 turkey crop was estimated to be 10 per cent less than 1937 while that of Virginia, a sister state, was calculated to be 12 per cent greater.

Woman Awakens Late at Night As House Afire

Awakened by the sound of crackling flames, a 70-year-old grandmother Monday night saved her 17-year-old grandson from almost certain death by fire.

Mrs. Mary Rogers, asleep in a back bedroom of her 532 Pine St. home, awoke shortly after 11 o'clock to find her bathroom in flames and smoke pouring through the one-story frame house.

"Sonny! Sonny!" she screamed to her grandson, Warren Bridwell, Sequoia High School student. "The house is on fire!"

Not until she had fought through flames and choking smoke to the front bedroom could she shake Warren from a sound sleep.

Both scrambled unhurt to the next-door home of Emil Tenzer to call the city fire department, which arrived to extinguish the fire. Asst. Fire Chief Joseph Lodi estimated the damage at \$500.

Immediately after Mrs. Rogers left the house, she remembered she had left \$50 in currency in her purse in a bureau drawer. Young Bridwell raced through the flames again, ran out with the entire drawer, the money intact.

According to Asst. Chief Lodi, the blaze apparently started in the small bathroom closet, but it had progressed so far by the time the department arrived that he was unable to determine the cause.

Mrs. Rogers blamed it upon defective wiring. Damage to the home, owned by the E. W. Callon estate, included badly smoked walls in the two bedrooms and woodwork actually burned in the bathroom.

which Mrs. Rogers was sleeping," Lodi said. "It's a wonder that both she and her grandson weren't overcome by smoke."

Mrs. Rogers and Warren had lived at the Pine St. home for six years. Warren's mother, Mrs. Eva Edison, resides in Modesto.

Lodi said it was the 114th call the department has answered since July, but only the second fire of a serious nature.

Italian imports of unmanufactured tobacco the first six months of 1938 were valued at 18,361,000 lire compared with 5,079,000 lire in the first half of 1937.

Of the 1937 tobacco crop of 1,555,328,000 pounds, North Carolina accounted for 595,530,000 pounds; Virginia for 107,276,000 and Kentucky for 366,160,000.

The 1938 hay crop of 92 million tons was the largest the United States has had in 10 years.

ELECTRIC HEAT

is Plus Protection these cold, wet days

Every home should have one or two of these electric heaters now being offered on exceptionally easy purchase terms. The convenience of an electric heater during the seasons of sudden temperature changes makes it more than worth the first cost. The ability of a good electric heater to give forth an abundance of healthful warm air, quickly, and in operating economy more than saves its first cost in the days before "it is time to light a fire or start the furnace."

The electric heater you buy, however, deserves thoughtful consideration. You should get the right type of heater—one that is economical in operation. You will see four such electric heaters pictured here. Briefly, beware of a CHEAP electric heater. Buy a real quality product that is backed with a long term guarantee against heating element burn-out. All four of the heaters pictured here carry such a guarantee by the manufacturer.

Don't say, "I can't afford electric heat" or "Later on." You can afford it now. You do not have to wait. Buy your electric heater today while these easy purchase terms are in effect. You will be thankful a hundred times this winter!

The Oxford University Gazette, A De Poe Bay, Oregon, youth states that of 4900 undergraduates has made a reputation by going at Oxford during 1937-38, 2630 were unarmored into the coastal waters in receipt of financial assistance, and dragging out octopuses alive.

NOW! DENTAL PLATE Material Made by the Famous DUPONT LABORATORIES And the New Color Realistic

It's Here at Last! The dental plate you have dreamed about and wished for... so "Beautiful" and "Natural in appearance" you will actually be proud to wear it. The new Dupont "Proxyl" and the New Color Realistic materials give to the dental profession something entirely new and different. Come in and see these new materials. Note the unusual "Natural Beauty"... great strength... and above all, the leather-like weight, so essential for the comfort of plate wearers. Now... the internationally famous Dupont Laboratories give their prestige and reliability to a New Dental Plate Material. Look for the name on every blank.

'Dr. Campbell's Most Beautiful Plates'

Made in Dr. Campbell's own laboratories from his NEWEST beautiful pink plate material. Each NATURAL shaded PORCELAIN tooth is set in the NATURAL gum-pink plate material like it were growing there. They are as like one's own natural, healthy teeth and gums that your closest friend would never know the difference. These plates are very DAINY, yet they are made to STAND the ROUGHEST USE. Designed to Give a Natural Expression.

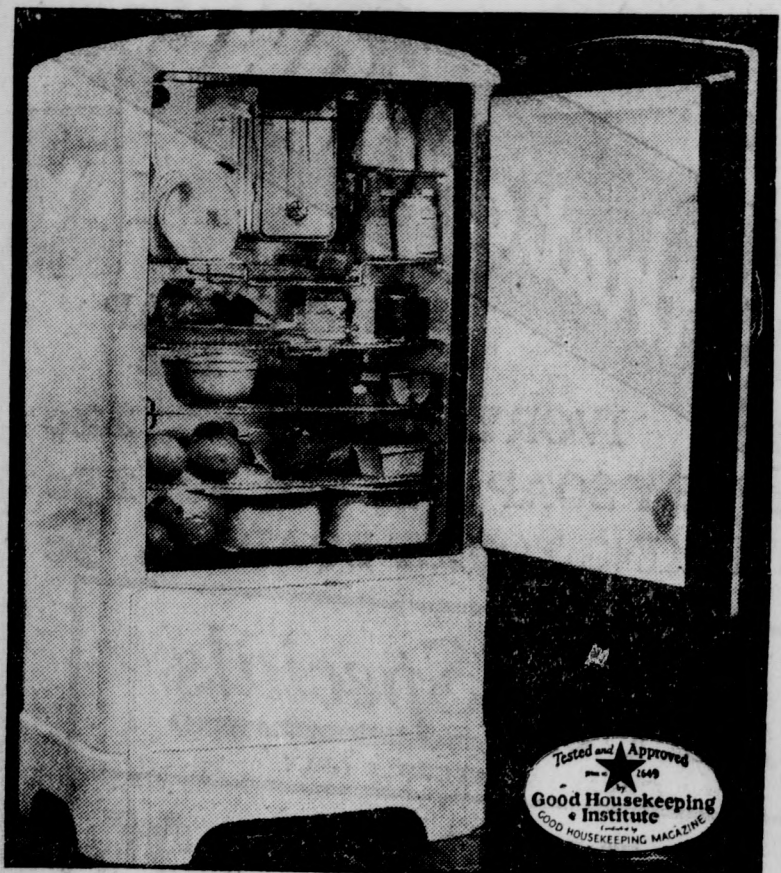

Special for Those Now Wearing Dental Plates **SAVE 50%** By having Dr. Campbell make new plates with his beautiful pink plate material using your old teeth. Including new impression and replacement of broken teeth.

Phone 1300

Registration Has 132,000

Differing sharply from estimates based on voter registration, an estimate of population just compiled by California Taxpayers Association shows San Mateo County having a population of 95,000.

This is an increase of 900 over the CTA's estimate of a year ago. Neighboring Santa Clara County was estimated as having a population of 163,000, compared with 159,600 a year ago. San Francisco's

estimated population now, according to the CTA, is 654,000. A year ago it was 652,000. Los Angeles' population now is estimated at 2,785,000, compared with an estimated 2,730,900 a year ago.

22 PER CENT GAIN IN STATE
Population of the entire state is estimated by the association at 6,940,000, an estimated increase of 22 per cent over the 1930 census of 5,677,251, or 2.3 per cent a year compounded annually. San Mateo County's estimated increase in the nine years is 17,600, or 23 per cent.

The CTA's estimates are based on school enrollment, allowing for

variations in birth and mortality rates. On the basis of registration, San Mateo County would have a population of more than 132,000, using the figure of 2.4 as a multiplier for the registration, which was 55,384 for the Nov. 8 election. According to County Clerk W. H. Augustus, this figure has proved fairly accurate in the past.

Settlement of the "dispute" will come when the 1940 census is taken.

TAX GAIN NOTED
In another study, the CTA has just learned that taxes levied on property by the county, schools

and special districts of San Mateo County in 1938-39 were \$3,084,570, an increase of \$1,118,167 over the levy of \$1,966,403 for 1934-35. These figures do not include the taxes levied by cities within the county. The levy for 1937-38 was \$2,852,146. Taxes levied by the county for current purposes went from \$822,142 in 1934-35 to \$1,086,344 in 1938-39; county levies for bonds totalled \$142,145 in 1934 and were but \$105,498 in 1938-39. Local property taxes levied for school districts in the county totalled \$627,302 in 1934-35 and went to \$1,405,289 in 1938-39, while levies for school bonds totalled \$270,533 in 1934-35 and \$305,516 in 1938-39; special district taxes

ALIMONY MARTYR IS FREED
Mario de Lemos, South San Francisco alimony martyr who was jailed for contempt of court before Judge A. R. Cotton on Monday, was released by court order Tuesday. De Lemos, a steelworker, promised to meet payments for support of his wife, Virginia, and their minor child.

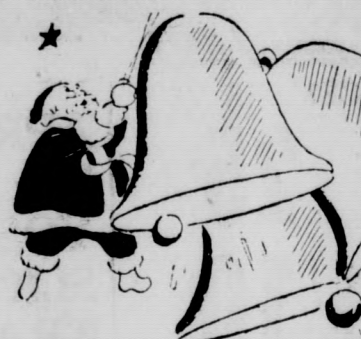

levied amounted to \$104,281 five years ago and were \$181,923 this year, the association stated.

Over the state as a whole, county, school and special district tax levies increased \$67,000,000 in the five-year period, going from \$156,000,000 for 1934-35 to \$223,000,000 for 1938-39.

Near Lynch Victim Faces Double Charge

Frank H. Brown, San Francisco mail truck driver who was moved to the Redwood City jail to escape a Daly City mob after a fatal accident there Nov. 24, will be charged with negligent homicide and felony drunk driving, according to Dep. Dist. Atty. Louis B. Dematteis. Killed in the accident was Adolph Agresti, 18, of Colma.

FARM ADVISOR TESTS SET

Examinations to qualify eligible for appointment as county agricultural commissioners or deputies and inspectors will soon be held by the State Department of Agriculture. Information may be obtained from County Agricultural Commissioner Max Leonard's office on Middlefield Rd., across the street from the courthouse, or from the state director of agriculture in Sacramento.

Daisies won't tell... But Tribune Want Ads will! Phone 2000.

Still Coughing?

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germladen phlegm.

10-Month-Old Child Would Fix Parentage

Believed to be the youngest plaintiff ever to file an action in the superior court, Brenda Alexis Lees, 10-months-old daughter of Pauline J. Williams, Tuesday afternoon asked the judge to establish Alexander H. Lees, San Mateo bank employee, as her father. She also asked that the court require Lees to pay \$100 monthly for her support.

The 10-month-old girl accomplished these legal feats with the aid of a guardian ad litem, her mother, and an attorney, Harry N. Grover.

In her complaint, Brenda alleges that she was born in San Francisco Jan. 20, 1938; that her mother is Pauline Williams and that her father is Lees; that the two were never married; that Lees makes \$250 monthly and that \$100 is a reasonable amount for her support; and that \$500 would be a suitable sum for attorney fees.

Summons was issued to Lees. In September, 1938, Illinois produced 2,631,016 gallons of whisky; Kentucky, 837,809 gallons; Indiana, 812,149; Maryland, 466,208, and Pennsylvania, 199,579.

Mrs. J. L. Talkington Is Taken by Death

Following a long illness, Mrs. Emma Talkington, wife of John L. Talkington of 522 Vera Ave., employee of the Pacific Portland Cement Co., passed away Monday night.

Redwood City Dog Found To Be Rabid

Redwood City's first case of animal rabies was recorded here with reports from the state bacteriological laboratory at Berkeley that a dog's head sent there Monday had produced positive tests for the disease.

The dog, a female shepherd, came from a home on Arguello St. It left home for three or four days last week, and acted peculiarly on its return, according to the owner.

County's FHA Loan Record Is Praised

SAN MATEO, Nov. 30—San Mateo County won praise last night from Federal Housing Administration officials as being an area with an excellent record for property loans.

Two hundred thirty-five county real estate dealers, representative of lending institutions, supplied dealers, architects, county planners and city planners from various communities and others interested in suburban home development heard the praise at a meeting at San Mateo Junior College Auditorium.

Held under the joint sponsorship of FHA and Burlingame-San Mateo Real Estate Board, the meeting featured a talk by Charles D. Clark, western planning consultant for FHA.

Other speakers included Charles A. Russell, M. A. Strange, K. C. Leggett.

who sent it to the Redwood City pound. It died Monday. So far as could be learned, the animal had bitten no one, according to I. C. Drathman, city health officer. He said he had no idea of the source of the infection.

Central Home For Juveniles Planned Here

Recommendations of the grand jury for a survey of the sheriff's office and for more liberal allowances for the juvenile wards of the county brought these reactions here:

1. Sheriff James J. McGrath said that while he would welcome a survey, he knew what the office needed and would continue to try to get it.

2. Probation Officer Francis Robinson disclosed plans for a central home for the 120 children now wards of the county, at the same time citing figures to show that members of the grand jury said only 14 cents daily was spent to feed inmates of the juvenile home.

50 CENTS DAILY SPENT "We spent \$1109.58 in the last fiscal year for food," Robinson said. "We served a total of 6610 meals. It is a matter of simple arithmetic to show that the cost per meal is 16.7 cents, or 50.1 cents a child a day for food."

"I am heartily in favor of the other recommendations of the jury," Robinson added. "According to state law, it is permissible to spend up to \$35 a month for juveniles boarder out in private homes. We have been paying \$20 a month for foster homes for a number of years. We pay \$25 a month to some institutions which provide medical and dental care. The other county wards are treated at Community Hospital."

\$5 BOOST FAVORED "I think it would be proper to increase the foster home allowance by \$5 in view of current conditions."

He warned, however, that no such increase could be made this year since the budget had been fixed. Such an increase would cost the county \$600 a month at the present time, he said.

The ideal situation, he believes, would be a place where dependent children could be housed together. He pictured a place in the country, ideal for rest and relief, where the juvenile wards of the county would have their own school, with industrial training for boys and special domestic classes for the girls.

"This would require a considerable capital outlay," he warned, "and should not be undertaken until thoroughly studied and investigated. However, the welfare of children must be measured in something more than dollars and cents." The plan, he said, would be unique in California.

TEMPORARY SHELTER The juvenile home, he pointed out, may be used only for those children being detained or waiting for placement. Only three minors are now housed in the building. Last year the home spent \$135 for milk, \$433 for groceries, \$197 for meat and fish, \$248 for fruit and vegetables, and \$95 for bread.

The grand jury "strongly recommended" a central residence under the supervision of the probation officer wherein county children would be housed and boarded.

Scott Named To Aid Drafting of New Law

Atty. Edmund Scott of Redwood City, former district attorney, has been appointed to a committee of the State Bar Association to frame proposed amendments to the State Penal Code to make rules of procedure in California civil courts conform to federal procedure and to plan the organization's American citizenship work.

TAKEN TO SAN QUENTIN

Thomas Hendrick, convicted of second degree burglary for stealing a check from a Burlingame warehouse of Pacific Telephone and Telegraph Co., was taken to San Quentin Prison by Undersheriff Lawrence Neri and Dep. Adolph Waldeck.

Amethyst is regarded by the superstitious as a love charm, a sleep-producer, and a protection against thieves and drunkenness.

U. S. imports of agricultural products, except forest products and distilled liquors, have averaged \$1,582,000,000 annually for the past 16 years.

A Royal Decree-Law published in the Italian Official Gazette requires that all new power plants be built so they can use gas, solid fuel, or electric power.

The South American llama vents its anger by spitting at its rider or master.

Ford Enters Plea of Guilty

Tipton Ford, 33-year-old Hillsborough fireman charged with a murderous machine-gun assault on his divorced wife, her father, and two neighbors in Palo Alto, late Monday changed his plea to guilty to the reduced charge of assault with a deadly weapon.

The change in pleas came after a jury had been impaneled in the court of Judge William S. James to try Ford on charges of assault to commit murder.

Ford will be sentenced by Judge James Friday morning on two counts carrying a minimum state prison term of one to ten years.

The assault took place Sept. 16, when, according to Mrs. Ruth Ford, the Hillsborough fireman shoved a pistol against her side, and later fired upon her father and two neighbors. Ford was carrying a submachine gun stolen from the Hillsborough arsenal.

Ford previously entered pleas of not guilty and not guilty by reason of insanity.

Felling of Trees In Belmont Sought

BELMONT, Nov. 30.—Decision to ask owners of some 40 cypress trees on Notre Dame Ave. to remove them before winter to eliminate hazards from falling trees or branches was reached by the city council this week.

The council also, in a half-hour session, assured Jack Kidd, chairman of the outdoor Christmas tree committee, that a contribution would be forthcoming toward purchase of lights and wire.

It was also decided to ask the WPA to speed up work on the improvement of Sixth Ave., which Street Commissioner L. A. Barrett said was progressing slowly. A protest of the Belle Monti Improvement Association against the trailer ordinance was filed.

Barrett reported also that sites had been selected for mail boxes to be erected in the Belle Monti district for rural delivery service.

New Addresses Filed At R. C. City Hall

New addresses on file at the city hall this week include: Mrs. Ed Youngblood, 529 Quartz; Carl Arrendo, 427 Avenue del Ora; P. Howard, 427 Avenue del Ora; G. Davis, 736 Maple St.; Guy A. Long, 94 Ramona St.; L. A. Baer, 339 Oak Ave.; L. A. Rieger, 1154 Fay St.; C. W. Caywood, 124 Lincoln Ave.; Al Westberg, 421 Standish; Mrs. C. Blackington, 1112 El Camino Real; F. G. Davis, 517 Fuller St.; R. Oxender, Alameda de las Pulgas; P. C. Kirk, 1150 Cleveland St.; Earl E. Barnes, 834 Vera Ave.

Street Names Yet Unchanged

Reports emanating from East Palo Alto that residents there were not satisfied with changes of names of streets, as recently approved by the county planning commission, brought the explanation here from Planning Adviser Ronald Campbell that the commission's recommendations to the board of supervisors have been withheld until such time as residents can agree on names desired for the streets.

The changes were necessitated by plans of the Palo Alto post-office to extend door-to-door service there, which requires street and house numbers instead of route and box numbers, as in the past, Campbell explained. The Menlo Park Fire Department also desired the changes because some of the East Palo Alto street names are duplicated elsewhere in the Menlo Park district.

So, although the planners once approved a map with new names, the changes have not been made officially, and probably will not be, Campbell said, until the post office, fire department and property owners' association submit a plan of name changes agreeable to all. The planning commission meets this Friday, but it is doubtful if the subject will be discussed, the adviser said.

GIVEN JAIL SENTENCE
Miles Berkla, 31, San Carlos salesman, arrested by Redwood City police Sunday on drunk driving charges was sentenced to ten days in jail by Judge Edward I. McAuliffe Wednesday.

AGE GROUPS WHERE T. B. TAKES HEAVY TOLL

Babies under one year are safer today from tuberculosis than they were in 1928, when 1300 infants less than a year old died of tuberculosis. In recent years, the toll has been 670. The disease is not inherited, but youngsters may become innocent victims if exposed to persons with active tuberculosis. Christmas Seals enable parents to learn more about tuberculosis, thereby protecting their children.

Young girls are particularly susceptible to tuberculosis. Intensified efforts, financed by sale of Christmas Seals, are directed toward turning back the threat of this disease from young people. Peninsula high schools have had a limited number of students tested and X-rayed by the San Mateo County Tuberculosis and Health Association. Of the 1115 tested, 391 were infected with the germ causing tuberculosis, 21 were in need of immediate medical supervision; two were sent to sanatoriums.

Medical authorities emphasize importance of parents being free from tuberculosis in order to reduce the danger of infecting their children. Tuberculosis is a serious disease. For every death, there are at least nine others who are ill of it. It is necessary to find the spreaders and care for them so children may be safe. So long as there is a single case existent, no one is safe. Christmas Seals support the work of the San Mateo County Tuberculosis and Health Association.

M'Nutt, Tryon Clash Feared

In one of the most unusual answers on record in the superior court, Atty. W. H. Morrissey today had appealed to Judge Maxwell McNutt to vacate one of his own decisions on a demurrer in order that one department of the superior court might not be placed in the position of overruling the other.

Morrissey represents the board of supervisors and Executive E. A. Rolison, defendants in the \$54,541 suit by Stanley Kelly, former county purchasing agent, seeking special damages and unpaid salary.

Kelly alleges that the executive and the board are responsible for his loss of position because of their allegedly illegal combination of the offices of executive and purchasing agent.

Previously the court overruled Morrissey's demurrer to Kelly's action because to sustain it would have been to throw the case out of court on a question of law still up for decision on appeal.

Morrissey asked that the judge vacate the ruling on the demurrer until Kelly's mandamus proceedings against the county controller is disposed of. In the mandamus action, Morrissey points out, Kelly seeks to force payment of his salary on the same point of law raised in his suit against Rolison and the supervisors. Morrissey cited the findings of Dept. 2 of the superior court, Judge Warren V. Tryon of Del Norte County presiding, for the controller and against Kelly, ruling the consolidation of the two offices legal. Judge Tryon's decision has been appealed.

"To further prosecute this action

Weed Abatement Meeting Requested

MENLO PARK, Nov. 30.—A general meeting of county administrators at which the weed abatement problem may be threshed out was requested today by the Southern San Mateo County Taxpayers League.

Last night at a conference of the league's advisory board and interested taxpayers, held in the auditorium of Ravenswood School, Director E. M. Rankin was empowered to ask the San Mateo County Board of Supervisors to call a meeting.

It was specified that the study of the problem be started as soon after Jan. 1 as is convenient, and that the county engineer, agricultural commissioner, fire warden and representatives of the taxpayers league attend.

"It is hoped that at this proposed meeting, some plan can be developed that will lighten the burden on the taxpayer and result in more efficient administration of weed abatement throughout the county," the league said in a statement issued today.

At last night's conference, the opinion was expressed that the average cost now assessed against ordinary-sized lots in the weed abatement district, given as approximately \$2, could and should be slashed to \$1 through better administration.

is tantamount to permitting Dept. 1 of this court to overrule Dept. 2 of this court upon the same question of law," Morrissey contended. He asked that the case be held in abeyance until the mandamus case is settled.

Poppy Planting To Be Started

ATHERTON, Nov. 30.—In preparation for exposition year, the Town of Atherton will inaugurate a beautification campaign upon the recommendation of the planning commission, it was announced yesterday afternoon at the monthly meeting of the town council.

Fifty dollars was appropriated as a contribution to a subscription fund for cleaning side areas and planting California poppies on the town's principal streets. Alameda de las Pulgas, El Camino Real and Middlefield Rd. were three thoroughfares especially designated for the plantings. The work will begin immediately.

The council authorized the construction of a drainage system to carry off heavy rain waters from Elena and Atherton Aves. Plans for the system were submitted at a previous meeting by Engineer James S. James.

15-Day Term Started By Fast Motorist

Pierre LaMotte, San Francisco clerk whose speeding automobile outdistanced the State Highway Patrol Saturday night only to overtake at Pacific City, was rebooked at the county jail on a 15-day sentence imposed by Judge Hugh F. Mullin. LaMotte's companion, Mrs. Virginia Leonard, suffered a broken arm and broken leg.

Judge Mullin offered LaMotte the alternative of paying a fine of \$150.

Let a Classified Ad sell it for you

"HERE'S What I Expect

An Advertisement To Tell Me!"

"Where Can I Buy It? Naturally, one of the first things I want to know about something I see in an ad is—where can I buy it? It isn't simply a matter of convenience and of saving time in planning my shopping, either! No, the name of the merchant, itself, often decides whether I buy or not. Invariably, you see, I give preference to stores whose ads I see regularly and often—I know those stores must have good value or they couldn't go on advertising year after year!"

"What Will It Do for Me? I find it so much easier to make up my mind when the ad tells me facts about the merchandise! What is it? What will it do? How will it help me? Why do I need it? I want to know about color, weight, texture, material, style—I enjoy reading those things and I usually buy from the merchant who tells them to me.

"How Much Is the Price? Of course nearly every ad mentions the price, but if an item has been marked down I want to know how much. So many sale ads say 'Was Higher'... how much higher? I want to know how much I am saving and I want the chance of deciding for myself if the item is a real value or not. I have more confidence in the store that is consistently truthful and buy from such a store regularly—and my husband says an old customer is worth three new ones because new ones cost additional money to get!"

READ THE ADS IN THE TRIBUNE — ALL OF THEM HELP YOU TO WISE SPENDING — MOST OF THEM HELP YOU TO MAKE WISE SAVINGS, TOO!

Will Provides 15-Year Trust

Mrs. Nellie Miller, 78, who died at her Atherton home Nov. 19, divided her estate of unestimated value among 28 persons, the bulk going to two sisters and a brother, according to an involved will filed for probate in the superior court Tuesday afternoon. Mrs. Miller was the widow of the late Richard E. Miller, one of the founders of the Owl Drug Co. and longtime president of the Liberty Bank of San Francisco.

Bulk of the estate goes into a 15-year trust, according to terms of the will. The document was originally written Jan. 9, 1938, was changed by nine codicils, the last of which was signed Oct. 4, 1938.

The income of the trust is divided into four parts, equal fourths going to Mrs. Elizabeth Clerfayt, a sister in San Francisco, and Mrs. Margaret Cowperthwaite, a sister in Menlo Park; one fourth to two nieces, Mabel Parker and Valada Lee of Berkeley, and to a nephew, Walter Lee of Glendale; and the other fourth to the four children of a deceased sister, Walter R. Bailey of San Francisco, Elgin J. Bailey of San Anselmo, George T. Bailey Jr. of El Cerrito, and Richard Bailey, Salinas.

At the end of 15 years the trust is to be divided as its income was divided, the will provides.

Mrs. Miller made specific bequests of \$5000 each to Mrs. Clerfayt, Mrs. Cowperthwaite, Thomas Costello, a brother, and Julius J. Luedke, San Francisco, husband of her niece, Anna C. Luedke. She established \$50 monthly incomes for Anne Bailey, wife of Walter; Elise Bailey, wife of Elgin; and Mrs. Luedke. An income of \$25 monthly was provided for Richard Bailey. The lengthy will made specific bequests of much of Mrs. Miller's

New Confectionery Store To Open Here

Another new business for Redwood City was assured today with announcement of Albert C. (Al) Smithee and Joseph W. (Joe) Smithee, brothers who live at 490 Vera Ave., Redwood City, that they would spend \$6000 remodeling into a modern confectionery store the building at 2201 Broadway in the Sequoia Theater block which was vacated Monday by the Lock Drug Co.

To be known as Smithee's Soda Bar, the new store is expected to be opened by Dec. 15. Luncheons will be served, fountain items carried and home made candy sold, according to the brothers.

Al Smithee, a resident of Redwood City for the past seven years and member of the new junior chamber of commerce here, has been manager of the fountain at the Stanford Golf Club. Joe Smithee has been employed in the Sequoia Creamery here. They are the sons of Mr. and Mrs. J. T. Smithee, residents of Menlo Park for the past 10 years.

Although the firm will handle Swift's ice cream products, the store will be entirely locally owned and managed, the brothers pointed out. All new equipment including the fountain is to be installed.

The Rosetta stone, an important archaeological relic permitting the deciphering of ancient Egyptian inscriptions, was ceded to Britain as a trophy of war in 1807.

personal effects, including jewelry, art work, clothing, furniture, and a "mechanical bird in a gilded cage."

Executors of the estate are Sydney W. Miller of Hillsborough and the Crocker First National Bank. Attorneys for the executors are Morrison, Hohfield, Foerster, Shuman & Clark.
